Dear Recipient,

Thank you for the opportunity to bid on your upcoming events planned throughout this year. I feel that Central Valley Party would be a great fit for your upcoming events as our focus is helping out our communities. Central Valley Party is a family owned and operated company with 28 years' experience doing events. We have 2 locations to serve the community with a detail-oriented mind set, along with a family atmosphere throughout our company. We provide services to our communities in not only memorable events as wedding, engagements, and special occasions. But we are also provided the satisfaction when we help with the School Graduations, Community concerts, Holiday celebrations, corporate team building and fun days as well as Festivals for cities and churches. I feel that Central Valley Party could help with your events at their current design as well as assist with implementations to new trends and growth as needed. We have worked on many different jobs such as corporate gatherings ranging from 100-10,000, Community Concerts, Church and School Festivals along with several city jobs of various size. We look forward to working with you on your future events.

Warm regards,
